

Top Advantages of the Latest A4 Devices

Easy to use

- Intuitive User Interface with built in workflow solutions and apps to meet individual business needs.
- Convenient stapling of up to 20 sheets directly at the multifunctional device after printing*.

High performing & reliable

- Experience a new, much faster single-pass duplex scanner unit for up to 100 originals*.
- Top performance scanning on e-STUDIO509CS with up to 98 images per minute, Multifeed Detection and enlarged color spectrum reproduction.
- Faster start-up and data retrieval with the SSD-based intelligent storage device, and enjoy added reliability by replacing former daughter cards by digital storage of fonts or bar code print licenses.

*Except the e-STUDIO409AS

Highest security

- Proprietary technology ensures seamless and secure connections between documents, devices, and networks.
- Including a trusted platform module (TPM) for enhanced security, on-board authentication, system integrity checks, and cryptographic features, all certified under common criteria.

Sustainable

- Durable steel frames and service friendly design for long-time usage.
- Over 90% of the hardware materials by weight are recyclable. Contains at least 35% post consumer recycled plastic.

Supported Systems

Colour	Mono
e-STUDIO409CS	e-STUDIO479S
e-STUDIO339CS	e-STUDIO449S
e-STUDIO409CP	e-STUDIO409AS
	e-STUDIO479P
